Join us for an insightful workshop designed for parents and carers, where we will explore the Circle of Security model, a proven approach to fostering secure and healthy attachments with children.

This session will guide you through the fundamental principles of the model, helping you understand your child's emotional needs and how to respond in ways that build trust and security.

You will learn strategies to enhance your caregiving skills, promoting a strong, supportive bond that nurtures your child's development and well-being.
